**ARE YOU GAME TO SIT THE YEAR
SIX 2003 COMPUTER SKILLS
ASSESSMENT PRACTICAL TEST?**

**Do you need some practical (and
not so scary or difficult) ideas as to
how to incorporate computers into
daily classroom practice?**

This workshop aims to give teachers the opportunity to:

- Sit the CSA6 practical test trialled in over 500 primary schools across the state this year;
- Analyse the 2003 tests to raise awareness of the computer skills students are expected to demonstrate by the time they reach year six;
- Find out what resources, ideas and support is available to support teachers in integrating technology into classroom practice K - 6;
- See how computer-based technology is mandated in every Key Learning Area, K – 6;
- Discuss implications for teaching and learning in the 21st century.
